This non-denominational retreat weekend at The Resolution Center of Jacksonville will be a time of support and renewal for parents and grandparents on the journey of parental alienation.

The weekend retreat consists of a Meet and Greet Social on Friday night, followed by seminars and workshops throughout the day on Saturday, and ends with a Sunday morning beachside brunch before afternoon departure.

This retreat is a fantastic opportunity to safely gather with other parents in a beautiful, relaxing setting, to learn from experts and peers about healthy practices and growth mindset, during this challenging chapter in our lives without our children.

Cost
\$50/person, \$75/two
